SPECIAL INSTRUCTIONS

All lots are carefully attributed, guaranteed genuine, and grade will be found as noted.

Be sure to enter on bid sheet correct lot number and **BID BY LOT IN ALL CASES**. List prices after each item represent the present value of the lots listed. They are not reserve prices, and you must use your own judgement what you wish to bid.

Unlimited or buy bids will be accepted and carried out as far as possible. Such bids insure your getting the lots desired and always at the lowest possible price. I have many patrons who have always bid in this manner and with perfect satisfaction to all concerned.

The terms of this sale are cash promptly on receipt of goods. Remit in whatever way is most convenient. Successful bidders will be notified immediately after sale and coins shipped at once, if credit references are O.K. There is no charge for executing bids, but postage on shipments is added to invoice. I frequently put invoice in with parcel of coins. If your bids are not successful, you will always receive a post card immediately notifying you of that fact.

If you are bidding for the first time, put references on back of bid sheet. If you have bid at my sales and failed to secure the items desired, write me and I will be glad to look up your sheet and tell you where the trouble is. There is much to learn in making bids at mail auction sales.

You are much more likely to be successful in a strictly mail sale than one where a public auction is held the last day, as any one on the floor can bid a few cents over your mail bid and secure the lot. Often a 10ct bid will lose the item, where you might have been glad to have it at the increased price. It is always a very good idea to bid what you feel you can afford.

My next sale will be in November and material is already coming in from my many friends. Send along any fine coins you wish to turn into cash and I will do the rest. I have a steady demand in my auctions for sets of Commemorative Half Dollars, Early Dollars and Early Dates of all classes of USA coins. Proof sets in any series, fine Colonial Coins, Indian Head Cents in VF to proof condition, early large cents in Fine or better condition.

I do not wish common grade of coins that are not worth much over face value. There is little interest in them and often no bids at all in sales. They are sold mostly over the counter in Coin and Stamp shops. They can sell them to better advantage than I can.

My commission for selling your coins is the smallest and you are sure to obtain better net cash returns than if sold outright. But if you prefer to sell and the material is something I need, I will pay cash in any amount. Write me at any time and prompt reply is assured.
